# **Transfer Assets To Fidelity**

**Use this form to move some or all assets from another firm to Fidelity.** Type on screen or print out and fill in using CAPITAL letters and black ink. If you need more room for information or signatures, use a copy of the relevant page.

#### **Helpful To Know**

- This form isn't right for all transfers. Call Fidelity if you are:
- converting an IRA to a Roth IRA
- rolling over from a 401(k), 403(b) or other workplace plan
- transferring from a non-retirement checking account
- transferring between retirement accounts and there is ANY difference in how the names appear on the accounts
- Most transfers are faster at fidelity.com/toa.

- Use one form for each account you're transferring out of.
- Transfers can create legal issues (especially around beneficiaries and form of ownership) as well as tax issues and financial risks. Consult the appropriate professionals before making a transfer.
- Avoid delays! Attach a recent account statement!
